## GERMAN COLONY NATIVES

Connection With Forced Labor

LONDON, Dec. 12.—German crucity | The Gaulois asks the Allied Powers toward the natives of her former not to surrender to the temptation colonies is outlined in the statements of a more extended occupation of of native chiefs in the Samoan Is- Germany. Such a course, it says, lands, the Kameruns, Togoland, might provoke serious complications. Southwest Africa and East Africa in a White Book published by the Colonial office. The statements show the natives everywhere hope to remain under British rule.

In a few cases the chiefs said they were afraid to say anything lest their land be restored to the Germans, who had threatened them with what they would do when the war was over. A contrast between the feelings of the natives toward the British and toward the Germans is shown by the fact that British officials are able to go unescorted through regions which the Germans, owing to their cruelty, had been unable to enter unless supported by an

The burden running through all the statements of the natives is "Flogging, picture, but he declined and walked on, flogging, flogging," especially in con-mection with forced labor on planta-tions.
